

Bright Kids Academy

Summer Camp 2017

More than a Summer Camp

Summer is one of the best times to experience Bright Kids Academy. Not only do we offer fun camp activities, such as swimming, hiking, arts and crafts and field trips, but we offer academic enrichment programs as well.

Academic Enrichment

Camp is a great place for children to sharpen skills, advance in existing studies or explore new interests.

Young students will also take advantage of **our early reading program**. In fact, some of our campers will learn to read for the very first time!
